THE MOUNTAIN ECHO

## Heritage Legacy

Ozark Academy creates an experiential learning opportunity for the juniors & seniors to make connections beyond the history textbook pages. This ten day trip to Philadelphia, New York, Boston, D.C., and Niagara Falls has been correctly dubbed as Heritage Tour, and this tour leaves a lasting legacy. "It was the best experience of my life." Autumn M.

## ✧ The Greatest Textbook ✧

BY MADDIE H.

Ozark Adventist Academy's mission is to provide a safe learning environment in which students come to discover a love for God, respect for self, and the skills necessary to live a fulfilled Christian life.

Some schools have chosen to ignore the God who created the human mind. To their dismay, they have robbed themselves of their most valuable 'textbook,' and

the only source of absolute truth. OAA not only teaches a Bible class, but centers its curriculum on the Bible. All of OAA's academic roads lead to God, in whom all knowledge has its origin.

Teachers are a school's heartbeat--its pulse. OAA is blessed to have teachers who invest in their students by pointing them to

Christ. We give THANKS for OAA, where students are taught by the ultimate textbook!
